

What do you aim to achieve during your first year at your new job?

Fill in the form and let's talk about what interests YOU

Know your options

BASIC
Legal aid, social consultants, assistance in the event of dismissal and more

COLLECTIVE AGREEMENT
Finances
Market-competitive salary increases, 16.25% pension and a higher holiday allowance of 3.25% provide a sound financial framework

Flexibility
Timebank for overtime and flexitime, if compatible, to ensure a flexible working life

Holiday leave
6 weeks of holiday, 4 extra single days off for public holidays and 5 days of compassionate leave for quality time and to minimise stress

Children
Long childcare leave, many days off for children's illness and a leave option to care for hospitalised children give peace of mind in terms of both time and finances

Health
Dental and health insurance for prompt treatment and options of physiotherapy, etc.

INSPIRATION
Events
Lectures on blockchain, cyber security, cryptocurrencies, AI robotics and more – be inspired by learning about future sector trends
Breakfast meetings
New knowledge in just one hour, breakfast included, networking and lectures from 8 to 9 am.

NETWORKING
Mentorship
Boost your personal and professional skill-sets and accelerate your learning curve via a mentoring process
Networking
Create a strategically valuable network relating to your job and stay inspired in or across your fields of interests

DEVELOPMENT
Career interview
Discover the recurring theme in your career, reinvent yourself or be inspired by our coaches who know the sector's requirements today and tomorrow.
Online courses
Learn quickly via e-learning, including Excel, presentation techniques, project management, Adobe Photoshop, etc.

EDUCATION AND TRAINING
Financial competency education pool
ECTS-bearing courses which open up opportunities and help you move on. Apply directly from the Financial Services Union to meet your present and future needs.
Individual courses
Enhance your overall CV and generate cohesive energy.
